

Remaining in contact with Lambeth PPG and patients

We hope you are managing to remain positive and stay well. We send well wishes to you, your families and friends.

We are all now having to find new and creative ways to stay active and remain motivated and engaged.

Whilst the office may be closed to visitors and our face-to-face contact and engagement has been cancelled until further notice, our staff are working from home and continue to keep Lambeth patients and PPGs informed and connected at this challenging time.

Feel free to contact us for a chat, share your ideas or stories during this time, or pass on useful information that can be shared with the wider network by emailing info@lppgn.org.uk, calling/texting 07427 873090 (Mon to Thurs) or 07340 805027 (Tues to Fri) or tweeting @LPPGN.

Stay Well!
